

الله الله اغثنا يا رسول الله

- بيات -

الله الله اغثنا يا رسول الله
عبدُ بالباب يترتجي لشم الأعتاب
أنت المعروف بالجوذ مقرى الضيوف
أنت الحبيب الأعظم سرُّ المٌجيب
صاحب الحضره أرجوك منك نظره
طير القمر قم غرد مع الفجر
أنت المختار بمدحك تجلى الأكدار
أنت الحبيب بذكرك قلبي يطيب

يا عظيم الجاه عليك صلواتُ الله
جدُ بالجواب مَرَحَبًا قَدْ قَبِلْنَا
إني ملهوف اغثني بحق الله
حاشا يخيب من لاذ برسول الله
يا أبا الزهرا والقاسم وعبد الله
واغنم أجري واستجب بحبيب الله
ينجو من النار مُحِبِّكَ يا رسول الله
حاشا يخيب من لاذ برسول الله

Allah, Allah, succor us, o Messenger of Allah

Allah, Allah, succor us, o Messenger of Allah,
O you of great rank, upon you be the blessings of Allah!

O slave (standing) at the door, hoping to kiss the threshold -
Strive hard to be granted the reply "Welcome, we have accepted him!"

(O Messenger of Allah) you are well known for generosity and entertaining guests -
I am in a state of worries and yearning – revive me, for the sake of Allah!

You are the most beloved (of Allah), the secret of the One Who Responds -
He will not fail who takes refuge in the Messenger of Allah.

O You who holder of the (Divine) Presence, I implore you: Give me glance,
O father al-Zahra, of al-Qasim and of 'Abd Allah!

O turtledove – rise and twitter with the daybreak
Gain me rewards, reply to (the call of) the Messenger of Allah.

(O Messenger of Allah) you are the Elect, by praising you stains are polished out
Whoever loves you is saved from the Fire, o Messenger of Allah!

You are the beloved (of Allah) – by mentioning you my heart becomes good
He will not fail who takes refuge in the Messenger of Allah!
